- I. Meeting was called to order.
- II. Agenda was approved.
- III. Minutes from March meeting were approved.
- IV. Departmental News
 - A. Early Childhood – Enrolling students for 2016-2017.
 - B. Math – Sarah Nevins will take over chairperson duties for the elementary in 2016 - 2017.
 - C. Science – Jeremy Winsor will take over chairperson duties for the high school in 2016 - 2017. The consumable science books purchased for use at the elementary school and the contract for use of online materials are nearing the end. The teachers are advised to download online materials that they plan to use in the future.
 - D. S.S. – The end of the supply for workbooks used at the 6 - 8 grade levels has also been noticed.
 - E. Special Education – High school SAT testing has been completed.
 - F. ELA -- Mr. Hyler asked the group to consider developing goals to be achieved by the District Improvement Team for the upcoming school year.
 - G. P.E. -- Mr. Avery reported that teachers had attended a professional development session featuring a study concerning the relationship between physical education and performance on standardized testing by students conducted by a school district in Naperville, Illinois.
- VI. Administrator News
 - A. Mr. Avery reported that the Illuminate pre/post-test meetings brought many concerns and ideas to the forefront. He wanted to thank those who attended and asked all involved to review the Google Doc that was shared.
 - B. Additionally, Mr. Avery let the group know that he and Mr. Hungerford are planning to meet to review results from 3rd quarter pre/post-test. He is able to create a report that allows the pre-test data to be easily compared to the post-test data.
 - C. Mr. Grifka let the group know that our school recently underwent an audit of the Title services provided by the district. While there are some corrections that need to be made, overall the process went well. The programs will be re-evaluated in one year.
 - D. Staff appreciation will be held May 11 from 2 p.m. - 4:30 p.m in the high school media center.
 - E. June 10 will have a dismissal of 11:20 a.m. rather than 11 a.m. to make up time lost due to the fog delay on April 22.

The next meeting of the DIT will be Wednesday, May 25, 2016 in the Elementary Media Center.
