

**2/10/2016**

**Old Business**

NA

**New Business**

Reviewed current pacing guide and looked at areas we could restructure to allow for more instructional time. After reflecting on the first unit of pre and post testing we found that we are losing approximately half of our original instruction time to testing. Cutting out the three week wrestling unit is the front running option at this time

**Next Meeting**

3/09/2016

**Next Meeting Agenda Items**

Discuss further ways to maximize instructional time to balance out new testing procedures

**Adjournment** 3:00

**Attendees**

Randy Meier, Boone McEwen
